General Insurance Code of Practice

We are a signatory to the General Insurance Code of Practice (the Code). The objectives of the Code are to further raise standards of service and promote consumer confidence in the general insurance industry. Further information about the Code and your rights under it is available at www.codeofpractice.com.au and on request.

Financial Claims Scheme

We are an insurance company authorised under the Insurance Act 1973 (Cth) (Insurance Act) to carry on general insurance business in Australia by the Australian Prudential Regulation Authority (APRA) and are subject to the prudential requirements of the Insurance Act.

The Insurance Act is designed to ensure that, under all reasonable circumstances, financial promises made by Us are met within a stable, efficient and competitive financial system.

Because of this We are exempted from the requirement to meet the compensation arrangements Australian financial services licensees must have in place to compensate retail clients for loss or damage suffered because of breaches by the licensee or its representatives of Chapter 7 of the Corporations Act 2001 (Cth). We have compensation arrangements in place that are in accordance with the Insurance Act.

In the unlikely event that We were to become insolvent and were unable to meet Our obligations under the Policy, a person entitled to claim may be entitled to payment under the Financial Claims Scheme. Access to the Scheme is subject to eligibility criteria. Please refer to <https://www.fcs.gov.au> for more information.
